

COMPANY PROFILE

ACUMEN STAFFING MANAGEMENT LTD.

We offer Reliable Staffing Services

About **Business**

With an experience as rich and diverse as we have accumulated over the last 30 years, Acumen is one of few recruitment agencies in the UK that not just offers the best professional hiring services but has also been setting new standards in recruitment and hiring.

Not just Talent Solutions, we bring in Assets

Nothing is more valuable to an organization than good talent trained to perform efficiently. At Acumen we try to source people who can contribute directly to your growth.

Uncompromised Quality

We source only job-ready candidates with relevant training and DBS checks in place.

Expert Advisory

From developing SMART Hiring practices to recruitment models

What We Offer

Acumen is among the top recruiting agencies in the UK today and also the talent partner of choice for a wide range of private companies and healthcare institutions.

Quality Recruitment

Through our Recruitment services, we help company owners and HR decision makers in the UK source and on-board skilled employees.

Meticulous Staffing

With Acumen you can choose to leverage contract staffing solutions for long-term or even for a shorter duration.

Effective Training

From Skills upgrade to Employee Compliance, at Acumen we offer training modules for our recruits and staffers.

30 Years of
**Sourcing
Excellence**

"I am really grateful to the team at Acumen for helping me secure my dream job. Honestly, if it hadn't been for their training I would not have been able to crack that interview. Today I work with one of the best Hospitals in the UK and every day I get to learn and grow."

Miriam Partker , General Nurse
